ABOUT HAL LEONARD EUROPE

Hal Leonard Europe companies are part of the Hal Leonard group of companies - the world's largest source of music publications, which is celebrating its 75th anniversary throughout 2022.

The Hal Leonard story begins in the late 1930s in Winona, Minnesota, when two brothers - the late Harold "Hal" Edstrom, his brother Everett "Leonard" Edstrom and their friend Roger Busdicker had formed a very popular dance band. Concerned that their conservative father wouldn't approve of using the family name for a band, Harold and Ev took parts of their names and called the band Hal Leonard. As leader of the Hal Leonard Band, Ev eventually became known as "Hal Leonard."

The company Hal Leonard was founded in 1947, when Harold and Roger became in demand as band arrangers. They started licensing popular songs of the day to arrange and sell, and thus began their publishing business and an entirely new industry.

Hal Leonard continued to grow and expand into other areas, including instructional materials and repertoire for every instrument, voice, and ensemble. Today, Hal Leonard is the world's largest print music publisher. In its catalogue of more than one million available titles, Hal Leonard represents many of the world's best known and most respected publishers, artists, songwriters, arrangers and musical instrument manufacturers. Its products are sold in more than 65 countries throughout the world through Hal Leonard offices and a large network of distributors.

Of particular significance in the Hal Leonard catalogue is choral music, and the company is proud to represent some of the most important worldwide names in choral publishing, including Novello & Company, Chester Music, Walton Music, Durand, Salabert, Ricordi, G. Schirmer, Shawnee Press, E.C. Schirmer, MorningStar Music and Hinshaw Music and leading composers such as Ola Gjeilo, Paul Mealor, Owain Park, John Tavener, Judith Weir and Eric Whitacre.

Hal Leonard's print rights also encompass major catalogues in film music and musical theatre, such as Rodgers & Hammerstein, Andrew Lloyd Webber, Alain Boublil and Disney, and classic and contemporary pop music including The Beatles, Elton John, Adele and Queen, showcased in arrangements for choirs by Mac Huff, Roger Emerson, Mark Brymer, Kirby Shaw, Ed Lojeski, Philip Lawson and many more, as showcased in this latest Choral Spectrum.

All of the editions shown in this brochure are available from Hal Leonard Europe, which has offices and distribution centres located in Belgium, France, Germany, the Netherlands, Italy and the United Kingdom.

SAM-KLANG

About SAM-Klang

Hal Leonard is very proud to present an exciting new series for choirs: SAM-Klang. Conceived by Danish arranger and conductor Morten Schuldt-Jensen, SAM-Klang editions present classic choral works in unique SAM arrangements. SAM-Klang (a Danish word for ‘harmony’) provides a solution to the issue that many choruses face: a lack of low voices, and in particular, tenors. Schuldt-Jensen has skilfully considered all the original parts to create arrangements which retain the characteristic features of the original pieces and have almost the same richness of timbre, resulting in versions of works including the Mozart Requiem and Haydn’s The Creation which will sound nearly unchanged to an audience.

All SAM-Klang editions include Piano reductions to facilitate rehearsal preparation. The arrangements offer development opportunities for all voice sections, bringing new life and new quality to Soprano, Alto and Low Voice choir work. SAM-Klang enables youth choirs to gain access to classical choral literature and ensures that mixed choirs who face challenges finding singers for all-male voice parts continue to have access to well-loved repertoire.

This significant new choral series will rapidly expand and already features 17 volumes. For more information, visit www.sam-klang.com.

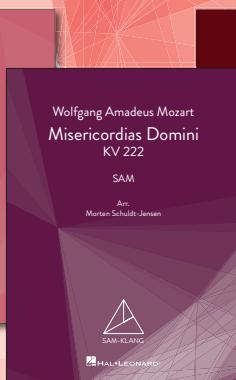

Morten Schuldt-Jensen

Morten Schuldt-Jensen is a professor of choral and orchestral conducting at the Freiburg University of Music and former choral director of the Gewandhaus in Leipzig (1999–2007).

In addition to his teaching activities, he has worked in Scandinavia and Germany with well-known European ensembles such as SWR Vokal Ensemble, RIAS Chamber Choir, the Gewandhaus Orchestra and the Akademie für Alte Musik. He performs regularly with his Danish choir Sokkelund Sangkor, the Immortal Bach Ensemble and the Leipzig Chamber Orchestra, of which he is chief conductor and artistic director.

Ola Gjeilo

Ola Gjeilo's evocative and poignant scores make him one of the most successful choral composers, as evidenced by the popularity of *Ubi Caritas* and *Northern Lights*. His latest pieces, *Iam Sol Recedit* and *Lux Beata Trinitas* for SATB choir, piano and oboe, were written as a pair and can be performed separately as individual works. Along with the musical flow between the two and the instrumentation, they are also linked through their texts, drawn from the office hymn used at first Vespers of the Sundays after Epiphany and after Pentecost.

In that role, which she has held since 2012, Weir has written new works for royal occasions, such as for The Queen's 90th birthday and the Platinum Jubilee celebrations in 2022. Throughout her career she has composed important repertoire covering many genres, is actively involved in music education, and is celebrated as one of Britain's finest composers.

By Wisdom

SATB

MUSCH88255

By Wisdom was composed to mark the Platinum Jubilee of Her Majesty The Queen in 2022 and first performed at a Service of Thanksgiving for Her Majesty The Queen at St Paul's Cathedral, London, on 3rd June 2022 by the choirs of St Paul's Cathedral and Her Majesty's Chapel Royal conducted by Andrew Carwood, with William Fox, organ.

*Happy is the one who finds Wisdom;
the one who gains understanding.*

*Her price is greater than silver;
her profit is better than gold.
She is more precious than jewels;
all that you desire cannot compare
with her*

*Long life is in her right hand;
in her left are riches and honour.
Her ways are the ways of pleasantness;
and all her paths are peace.*

*She is a tree of life to those who grasp
her; and those who hold her fast are
blessed. By Wisdom, the Lord laid the
foundations of the earth; he established
the heavens by understanding.*
